Fitness Disclaimer:

Parents or participants must agree to the appropriate fitness disclaimer relevant to the session they are booking.

Photo Disclaimer:

Our photo consent is optional. It is the responsibility of the parent or carer to make it explicitly clear if they do not wish for themselves or their child to be photographed. Requests can be submitted via email to:

ruth@bitesize-bootcamp.com

Please note: On occasions where we are hosting a specialist photo session, children who have opted out may need to sit out of that activity. Photographs are used for our website, social media, and marketing purposes.

All relevant documents are available to view in the THE IMPORTANT STUFF section of our website:

The Battlefield / Mini Obstacle Event Disclaimer is also available on our website. This must be read and agreed to before completing your child's booking. By registering for any event or session, you are confirming that you accept the waiver applicable to that specific session. This disclaimer applies to all obstacle course events hosted by Bitesize Bootcamp Ltd (BBL).

Medical & Dietary Information

All medical conditions, dietary requirements, and any other relevant health or allergy information must be clearly disclosed in the medical notes section of the booking form under the questions section.

This is vital to ensure we can provide a safe and supportive environment for every participant. Failure to
